Mr. Michael Wilz
President
Franklin Co. Historical Society
7023 Castle Rd.
Brookville, IN 47012

Dear Mick,

As President of Historic Connersville Inc., I again thank you for the excellent program you presented to our April 14th meeting, in the Canal House, on your project to develop a walking trail along the route of the Whitewater Canal in Franklin County.

Along with all of the members of HCI, I applaud the Franklin County Historical Society for your efforts to plan and develop this walking trail. As an organization that values, preserves and celebrates the history of the Whitewater Canal, we appreciate your efforts to develop the route of the Canal as a site for citizens to exercise and enjoy fellowship.

Please know that we, the members of Historic Connersville Inc., offer our assistance to help the Franklin County Historical Society complete this imaginative project that will help the Canal again come alive in the lives of our citizens.

Sincerely,

James Orr
President
Historic Connersville Inc.
