Dear Mr. McMillin:

This letter is in reference to the railroad right-of-way between Brookville and Metamora. The Indiana Department of Natural Resources has supplied you with various deeds and land records indicating that this right-of-way is owned, at least in part, by the State of Indiana. We feel that those interests not owned by the State may or may not be vested in IROWCO.

The State supports efforts by local officials and by Mich and Jenny Wilz to acquire any rights that may be controlled by IROWCO. Please feel free to contact me if you have questions.

Sincerely,

John M. Davis,
Deputy Director
