THE WHITEWATER VALLEY CANAL TRAIL
P. O. Box 126
Brookville, Indiana 47012

At a recent Board of Directors meeting of the chamber,
The Whitewater Valley Canal Trail was brought up for
discussion.

At that time, it was a unanimous vote that the Brookville/
Franklin County Chamber of Commerce is 100% behind "our
last chance to save this historic river valley"

And we commend the volunteers who are working hard on
the committee, the legal work....collecting signatures..
and working on fundraisers.

We as a group, promise to do everything we can to promote
this project and will assist in every way that we can.

A handwritten signature in cursive script that reads "Ken Marshall".
